BRIEF SUMMARY

I am a passionate and detail-oriented aspiring web developer with hands-on experience in HTML, CSS, JavaScript, and MySQL. I am currently seeking a Web Development Intern position to apply and enhance my skills in building responsive and user-friendly web applications. My goal is to contribute to innovative and impactful projects while gaining industry-level exposure. I am eager to collaborate with experienced professionals and grow both technically and professionally, contributing positively to the organization's success.

I am an enthusiastic and goal-driven web developer with practical experience in building full-stack applications using React.js for the frontend and Node.js for the backend. My expertise lies in creating dynamic user interfaces, managing RESTful APIs, and handling databases with MySQL and MongoDB. I am seeking a Web Development Intern role where I can contribute my skills, learn from real-world challenges, and grow in a collaborative team environment.
